

2021-2022 Sponsorship Information Packet

Friends of Collins Hill,

Thank you for your interest in sponsoring Collins Hill Softball. As you are well aware, high school athletics relies heavily on the interest and support of the surrounding community. Here at Collins Hill High School, we are no different. We have a vision for the future of the program including facility upgrades, field improvements, additional equipment, and new uniforms. To accomplish this vision, we will rely on the hard work of many, and the support of our community members.

We have many attractive options for sponsorship with Collins Hill Softball. No matter the amount of funding your company has, there are plenty of ways to sponsor our program. Please take the time to review the different sponsorship options and incentives offered on the attached sponsorship form. Any amount of donation is welcome, but we believe you'll find the incentives for each sponsorship level appealing.

Once again, thank you for your consideration. We look forward to building great relationships with many of our community members. We hope you'll join us. If you have questions about our sponsorship options, don't hesitate to contact me.

Sincerely,

Adam Newland
Head Softball Coach
Collins Hill High School
